- 14 ounce can sweetened condensed milk
- 6 cups whole milk (divided)
- 2 cups heavy whipping cream
- 2 teaspoons vanilla extract
- 2 cups semi-sweet chocolate chips
- mini marshmallows

♥ METHOD / DIRECTIONS

1. Warm one cup of milk to scalding. Either in a microwave or on the stove.
2. Gently whisk in ¼ cup cocoa powder into the milk.
3. In your slow cooker, combine a 14 ounce can of sweetened condensed milk, 5 cups of milk, 2 cups heavy whipping cream, 2 teaspoons vanilla, and 2 cups of semi-sweet chocolate chips.
4. Now stir in the cocoa and milk mixture you made first.
5. Cover and cook on low for about 2 hours, whisking often as it begins to warm up. Stirring is important during the heating up phase.
6. Once the chocolate chips have melted and the mixture is warm, it's ready to serve. Top with marshmallows.
